Barcode : 8711534066333
Capacity : 1,5 Farad
Weight : 1.7Kg
Dim. : 245 x 75mm

MCC series

Electrolytic high power capacitor
LED Display voltage readout
High grade alluminium shockproof case
Leak free Anti & explosion valve fitted
ESR : 0.002 Ohm
Remote power connection
Maximum voltage 24 VDC
Rated voltage 10~20 VDC
Quantity/ctn : 6 pcs
Polarity and short-circuit protection
Controlled temperature regulation
Electronic charge and discharge control

**Mounting Brackets
included**
