

SPEED RACER

Built in the image as a replica 'speed racer' motorbike, Urban X's electric speed racer GSR will leave behind many other replica motorbikes in a cloud of dust!

The Urban X speed racer can reach speeds of up to fifteen kilometers per hour*, supported by its 200 watt motor and two x 12 volt 7 AH batteries. Fitted with 13" pneumatic wheels on an aluminium rim, constructed with a steel frame and fitted with high quality rear disc brakes, the Urban X Speed racer is of exceptional quality and looks great!

The Urban X Speed racer GSR is suitable for riders aged 10 plus.

*Please note that the maximum speed of Urban X vehicles varies and is subject to regions and countries individual legal requirements.
